

Material feed EP 15/40

- Ideal as feed Autocut 15/40
- Base speed via potentiometer
- Fine control via pendulum
- Button for forward motion (for setting)
- Adaption of the interface of other manufacturers (if possible)

Data sheet

Maschine type:	Material feed EP 15/40
Article number:	10199
Delivery time:	6 weeks
Specifications:	
- Max. diameter of the material	15 mm
- Max. material width	40 mm
- Wire stripping or dismantling length	----
- Cutting length*	----
- Quantity*	----
- Speed control*	56 m/min
- Tractive power	ca. 120 N
Pneumatic data:	
- Compressed air supply	6 bar
- Air consumption per cycle	----
Elektrical data:	
- Voltage*	230V 50/60Hz
- Power*	270W
- Control*	----
- Interfaces*	to Autocut or Isomat
Dimensions:	
- Width	500 mm
- Width with pendulum	950 mm
- Depth	470 mm
- Height	330 mm
- Weight	27 kg
Accessory available:	

*just electrical machines
